

Celebrate community, friendship and the place where it all began...Jewish camp!

We invite you to join us, along with co-chairs Libby and Andy Finn & Alli and Andrew Lifson, on April 17, 2021 as we transform the Stone Arch Ballroom at the Loews Hotel Minneapolis into an experiential camp-focused night out in the city.

Allow yourself to get lost in Herzl's rich history while you recall your own experience; work on those mind muscles with Bikkurim for the brain; participate in a song session with well-known past Rosh Shirah, Flip Frisch; snag apparel, gifts and more at Chanut; and most importantly, come together for an evening of fun and celebration with the best community around.

Doors open at 7 pm for a self-guided experience; food will be plentiful and drinks will be flowing. Come as you are.

Your generosity makes camp possible for many campers! Your support for this fun night provides scholarships, inclusion services, and program enhancements that make camp exciting, engaging, and accessible for all.
